The **Department of Social Services** intends to amend the South Dakota Medicaid State Plan regarding Community Mental Health Center (CMHC) provider qualifications. The proposed state plan amendment (SPA) updates the provider qualifications for CMHC staff members providing certain direct services and support to clients from an associate degree to a high school diploma or equivalent with clinical supervision to align with revised state standards for services provided by a CMHC. The SPA amends page 31 of Supplement to Attachment 3.1-A of the Medicaid State Plan.

The department intends to make this SPA effective February 1, 2024, and estimates there will be no fiscal impact associated with this SPA in Federal Fiscal Year 2024 or Federal Fiscal Year 2025.

The SPA is available to view on the department's website at <http://dss.sd.gov/medicaid/medicaidstateplan.aspx>. Copies of the proposed SPA pages are also available at the Department of Social Services, Division of Medical Services. Written requests for a copy of these changes, and corresponding comments, may be emailed to [MedicaidSPA@state.sd.us](mailto:MedicaidSPA@state.sd.us) or sent to the Division of Medical Services, Department of Social Services, 700 Governors Drive, Pierre, South Dakota 57501-2291. The public comment period will start January 22, 2024, and end February 21, 2024.
